Meeting Notes for 1/31/2015

Welcome Back

General Announcements:
1. Xuelian and Yao are not back to our meeting
2. Hanyu cannot come for the meeting due his schedule
3. Dylan may not be back until April
4. Xin will host the following meeting and send out all the documents

What we did during the break?

Xin: Learning JavaScript and JQuery, look up Hanyu's code
Eric: build JNI
Di: build the server
Hefei: Look up relative papers

Problems we have:
1. We don't know how to make html work on the server instead of local.
2. There is an issue when calling Java library

Status:
1. The whole pipeline is basically working if we could solve the problem
2. Website need to be updated
